Tag is a game where one person tags another, only this time played with photographs. Each photographer responds to the previous image creating a chain reaction of connected images.

The results are displayed for the first time during the Borough of Ealing Art Trail (BEAT) and will be suspended in mid air in the beautiful space of St Mary's Church, Ealing.

London Independent Photography is a community organisation of photographers across London. There is an active satellite group in Ealing who meet monthly to share photos, creative ideas, support and encouragement. The group has exhibited regularly in Ealing and is delighted to take part in BEAT.
